

Brukner Nature Center's Senior Scientist

Let us visit with your residents and introduce them to our Wildlife Ambassadors!

The Senior Scientist program is a series of monthly wildlife programs that include hands-on activities, exciting multi-media presentations, storytelling, and more.

A Brukner Nature Center Naturalist travels to your center to share an information-packed hour of fun and learning with your seniors. Programs include one or more of our Wildlife Ambassadors - (ranging anywhere from a toad to a red-tailed hawk!).

The Senior Scientist program is available year round with a different topic featured each month. Programs can be scheduled monthly for the entire year or on a month to month basis and can be scheduled for morning or afternoon.

The topics for 2023 are:

- January Endangered Species
- February..... Changes in the Land
- March..... Marvelous Mammals
- April..... Signs of Spring
- May Wild Connections
- June Water Wonders
- July..... Wildlife Rehab
- August..... Scavengers—Ohio's Clean-up Crew
- September Owls of Ohio
- October Beautiful Bats
- November Animal Survivors
- December Wild Talk

**The cost for each program is \$75.00
with a transportation fee of \$.50 per mile.**

If interested in scheduling a program for your facility,
please call Brukner Nature Center at 937-698-6493 and ask for Cindy!
